

# New Soccer Referee Clinic

March 6,7, 2012 5:30pm-9:30pm

If you are interested in becoming a Soccer referee here is an opportunity to take the course locally.

With the popularity of soccer in our area growing there is always a need for more officials to cover the games.

The Black Swamp Soccer League is sponsoring a new referee clinic at The Centre in Bluffton.

This clinic will teach you the Laws of the Game and prepare you to be a certified referee with the United States Soccer Federation.

Although there is not a minimum age we recommend those interested be 13 years old and up
